

To Our Addolorata Villa Residents and Family Members:

Last week, we were successful in testing over 250 residents and staff members. Again heartfelt thanks to our Medical Director, Dr. Leo Kanev, who assisted us with all the testing. His gift of time is appreciated beyond words. Our expanded testing included AL, Ancora (Memory Support), Aspen, Chapel View and the Healthcare Center. With the widespread testing, we anticipate that most of the results will come in early this coming week.

Today we had one additional resident in skilled nursing test positive from the widespread testing we initiated. We ask for your continued prayers for those residents and associates that are currently battling the virus.

### ***Current Resident Confirmed Cases:***

#### **Resident #1:**

This skilled nursing resident was tested for COVID-19 on 5/14/2020 during Addolorata's large community testing. They developed symptoms, requiring hospitalization, on 5/17/2020 the same day that the resident's test results were returned as positive. Resident remains in the hospital.

**Important to note: All of our prior reported prevention and containment procedures remain in place. Both floors of the skilled nursing are full PPE at this time (masks, face shields, gowns, gloves), so we essentially are treating all residents as if they are positive. At this time, the most important action we can take is to monitor everyone and treat for symptoms.**

### ***Containment Procedures:***

Residents continue to be monitored closely for the earliest signs or symptoms of COVID-19. **If any signs or symptoms develop, a resident is immediately isolated.** Associates continue to be screened daily when they report for work; if any screening element is noted to be abnormal, the associate is sent home.

### ***Precautionary Measures:***

Addolorata Villa continues to restrict visitors and monitors those associates and residents, following CDC-regulated standards for infection control and to prevent any spread of the virus. The staff continues to maintain proper PPE recommendations and protocol, as defined by the local and state health departments and the CDC.

We understand that this is a time of anxiety and unknowns for the safety of you or your loved ones. 100% of our efforts are dedicated towards the safety of your loved ones. Should you have any questions, please visit our Addolorata Villa Facebook page or the Franciscan Ministry **COVID-19 Web Page - [www.franciscanministries.org/coronavirus-response/](http://www.franciscanministries.org/coronavirus-response/)** for daily updates and information. For additional information, please visit the CDC's coronavirus disease information page.

The safety of our residents and associates continues to be our most important concern.

Sincerely,

Judy Amiano,  
President and CEO
