To Our Addolorata Villa Residents and Family Members:

I hope that each of you were able to enjoy the beautiful weather that we had this past week. We have started the slow process of reopening Addolorata Villa to outside visitors and are encouraged to see the positive response that we have received from family members. And once again thank you for all the words of encouragement. They have meant so much to all of our associates at Addolorata Villa. I want to personally thank you for your patience as we navigate this “new norm” to ensure the safety of our residents, family members and associates. Today, 6/15/2020, we learned of an associate that has tested positive for the virus.

**Confirmed Associate Case:**

This associate, a nurse in Chapel View and Aspen, was tested for COVID-19 on 6/11/2020, due to exposure to a resident that had tested positive for the virus. The test yielded a positive result for the virus on 6/15/2020. The associate remains asymptomatic but is off of work as per our protocol.

**Important to note:** At this time, the most important action we can take is to monitor everyone and treat for symptoms. Additionally, ALL of the infection prevention measures mentioned in previous memos remains in place.

**Containment Procedures:**

Residents continue to be monitored closely for the earliest signs or symptoms of COVID-19. If any signs or symptoms develop, a resident is immediately isolated. Associates continue to be screened daily when they report for work; if any screening element is noted to be abnormal, the associate is sent home.

**Precautionary Measures:**

Addolorata Villa continues to restrict visitors and monitors those associates and residents, following CDC-regulated standards for infection control and to prevent any spread of the virus. The staff continues to maintain proper PPE recommendations and protocol, as defined by the local and state health departments and the CDC.

We understand that this is a time of anxiety and unknowns for the safety of you or your loved ones. 100% of our efforts are dedicated towards the safety of your loved ones. Should you have any questions, please visit our Addolorata Villa Facebook page or the Franciscan Ministry COVID-19 Web Page - www.franciscanministries.org/coronavirus-response/ for daily updates and information. For additional information, please visit the CDC’s coronavirus disease information page.

The safety of our residents and associates continues to be our most important concern.

Sincerely,

Judy Amiano,
President and CEO
