

FRANCISCAN MINISTRIES

Sponsored by the Franciscan Sisters of Chicago

To Our Village of Victory Lakes Residents and Family Members:

I hope that you are all enjoying the cooler summer weather today and are able to enjoy some safe summer activities. Again, I want to thank you for your daily words of support, as we look to the future to ensure the safety of our residents, family members and associates. They are very much appreciated by the Village of Victory Lakes associates and residents. As part of widespread testing that was initiated at Victory Lakes of 328 staff and residents, we received one positive result for the virus.

Confirmed Associate Case:

This associate, a CNA in the healthcare center, last worked on 7/22/2020 and was included in the widespread testing that was conducted. The test yielded a posited result for the virus and the associate remains at home in isolation.

Containment Procedures:

Residents continue to be monitored closely for the earliest signs or symptoms of COVID-19. **If any signs or symptoms develop, a resident is immediately isolated.** Associates continue to be screened daily when they report for work; if any screening element is noted to be abnormal, the associate is sent home. **We have no additional residents or associates who are exhibiting any signs of infection at this time.** As a reminder, all associates wear a mask while they are working to minimize any potential spread of the virus.

Precautionary Measures:

The Village at Victory Lakes continues to restrict visitors and monitors associates and residents, following CDC-regulated standards for infection control and to prevent any spread of the virus. The staff continues to maintain proper PPE recommendations and protocol, as defined by the local and state health departments and the CDC.

We understand that this is a time of anxiety and unknowns for the safety of you or loved ones. 100% of our efforts are geared towards the safety of your loved ones. Should you have any questions, please visit our Village of Victory Lakes Facebook page or the Franciscan Ministry **COVID-19 Web Page - www.franciscanministries.org/coronavirus-response/** for daily updates and information. For additional information, please visit the CDC's coronavirus disease information page.

The safety of our residents and associates continues to be our most important concern.

Sincerely,

Judy Amiano
